Superintendent's Message

Deep Springs Members

Happy New Year! Well my resolution last year to not upset Mother Nature didn't happen, though hopefully your resolutions did. This coming year I plan on changing some of our mechanical practices on the greens to help in the prevention of the issues we faced this past year. A couple of things I am planning on are to Verticut and lightly top-dress to remove thatch. Utilize a different program for the control of that nasty goose grass that invaded several greens. And yes utilize the roller more frequently as we raise the cutting heights during the stress period of summer.

I hope that each of you has a wonderful New Year, in your personal lives as well as the time spent here at Deep Springs with your friends.

See you on the course
